COLLEGE OF ENGINEERING AND INFORMATION TECHNOLOGY

November 20, 2025

MR. AL JHERALD V. LEYSON
Education Program Specialist II
Alternative Learning System Indang, Cavite

Dear Mr. Leyson,

Greetings!

We, the fourth-year Bachelor of Science in Information Technology students from Cavite State University, Indang, Cavite, are conducting our Capstone Project titled **"An Information Management System for Alternative Learning System In Indang Cavite"** In line with this, we respectfully request permission to conduct a system implementation within your college for a short period of about two (2) weeks or until the required participants have completed the implementation. The implementation will involve providing the participants with access to the system along with a brief orientation. It aims to assess the system's functionality, usability, and efficiency in managing organizational records, activity proposals, and reports.

Expected participants include:

1. Education Program Specialist; and
2. ALS Facilitators

Data will be collected from system logs, uploaded files, and user feedback to evaluate system performance and user experience. All information will remain confidential and will be used solely for research and system improvement in compliance with university guidelines, ethical standards, and the Data Privacy Act of 2012, Republic Act No. 10173.

Your kind approval of this request will be greatly appreciated. Thank you very much.

Respectfully yours,

BLESY A. CANATA
Researcher

MARY FRANCHEZCA S. ELLAR

MR. AL JHERALD V. LEYSON
Education Program Specialist II
Alternative Learning System Indang, Cavite

Dear Mr. Leyson,

Greetings!

The intention of this letter is to seek your permission to conduct an evaluation and gather feedback on our system, **An Information Management System for Alternative Learning System in Indang Cavite.** This evaluation will serve as part of the requirements of our Capstone Project and will help us access the performance of the developed system.

As part of our software evaluation, we humbly request the participation of all the ALS Facilitators to assess the performance of our software. We assure you that all gathered information and feedback will be used strictly for academic purposes and will be treated with the utmost confidentiality.

We hope for your kind consideration and approval to proceed with this evaluation. Thank you for your time and support.

Respectfully yours,

BLESY B. CANATA
